Autodesk Inventor Content Center 'How to Guide'

Installation

How to Install the Content Center

To install Atkore Unistrut's Autodesk Inventor Custom Content Library, first run the 'Unistrut CC Setup File'

If when loading the file, there is a 'Windows Protected your PC' error,

please right click the file and uncheck the box that allows you to 'remove protection'

In the second window of the installer, please locate your current content center folder Input the location in the bar below

Г	
📥 Setup - Unistrut CC Installer. Developed by Cadspec Ltd versio	on 1.2 — 🗆 🗙
Select Destination Location Where should Unistrut CC Installer. Developed by Cadspec Ltd be	e installed?
Setup will install Unistrut CC Installer. Developed by Cad	spec Ltd into the following folder.
To continue, click Next. If you would like to select a different folde	er, dick Browse.

Installation

How to Install the Content Center

The easiest way to locate the folder is within Autodesk inventors application options;

	Save	File Colors	Display	Hardware	Prompts	Drawing
Notebook	Sketo	h Part	iFeature	Assembly	Conter	nt Center
Standard Pa	arts					
	out-of-date	e standard narts durin	n nlacement			
	roat of date		ig placement			
Custom Fan	nily Default					
As Cust	tom					
O As Star	ndard					
Access Opti	0 05					
	or Desktop C	ontent				
Locatio	n of Librarie	s:				
C:\Pr	ogramDataγ	Autodesk\Inventor 20	22\Content Ce	nter\Libraries\		2
_						/
Autode	sk Vault Serv	/er				
Che	eck all Familie	s for Library updates				
Vault Cl	ient not avai	lable.				

When this has been completed, you will need to choose your Inventor version. 2020, 2021 or 2022. Click next, then click install.

Inventor Activation

How to Activate the Custom Library

To activate the library within inventor please go to the home screen within the application, click the projects tab

A 'Projects' box will appear, this will allow you to activate any custom libraries within any saved projects. Select the required projects you wish to activate the library with and then select 'Configure Content Centre Libraries' (Bottom Right-hand button).
